The best of the Butch Karp and Marlene Ciampi series I have read so far. Lucy Karp is developed as a tremendously intriguing character as is "Uncle Tran". The plot is complex and constantly riveting with fascinating cultural aspects and smart underlying commentaries on politics, social issues, and bongodogdesigns.coms:

Act of Revenge plunges the popular author's long-running series protagonists, New York City Chief Assistant District Attorney Butch Karp and family, into the lethal heart of a bloody turf war between the Mafia and ruthless Chinese gangsters. "Act of Revenge" is part of the Karp series. This series tries to deal with the question of how a family responds to an atmosphere of danger and violence. Butch Karp is a senior official with the New York D.A.
