This item: An Experiential Approach to Organization Development, 8th Edition by Donald R Brown Paperback \$ Only 9 left in stock (more on the way). Ships from and sold by bongodogdesigns.com: For courses in Organization Development, Organizational Behavior and Organizational Change. An Experiential Approach to Organization Development provides both a conceptual and experiential approach to the study of Organizational Development with a focus on developing interpersonal skills. It gives students a comprehensive, realistic, innovative, and practical introduction to the field, which .

Overall, the textbook is written in a user-friendly manner that provides just enough information to learn about organizational development. HOWEVER, this book sucked. As a psych major, I was extremely intrigued to began this book and learned the many ways to assist a company in need of change. A conceptual and experiential approach to understanding organizational development. With a focus on the development of readers' interpersonal skills, Experiential Approach to Organization Development provides a comprehensive, realistic, innovative, and practical introduction to the field/5(80).
