Jun 01, · Watch video · Today I have watched "Total Recall" at least for the tenth time, now on DVD. Again, I found it an excellent sci-fi film with non-stop action. The story has many twists, and the screenplay has no flaws, being very attractive/10(K). Aug 02, · Watch video · A factory worker, Douglas Quaid, begins to suspect that he is a spy after visiting Recall - a company that provides its clients with implanted fake memories of a life they would like to have led - goes wrong and he finds himself on the run/10(K).

Total Recall has moments of delicious escapism, but they're snack-sized. As a whole, it's neither entertaining enough nor intelligent enough to leave you with more than a vaguely sci-fi taste in 30%. An adaptation of the Philip K. Dick short story "We Can Remember It for You Wholesale," Total Recall was originally conceived of with Richard Dreyfuss starring as a Walter Mitty-like character who experiences a variety of artificially induced fantasies. The movie we know is a mega-budget action epic set on bongodogdesigns.com: Total Recall is a American dystopian science-fiction action film directed by Len Wiseman. The screenplay by Kurt Wimmer and Mark Bombback was based on the film of the same name, which was inspired by the short story "We Can Remember It .
