Tantric Numerology has its roots in ancient yogic and tantric teachings. Developed to illuminate the path, skills, and nature of a human soul, Tantric Numerology provides an effective means for you to align with your higher Self and excel via the technology of Kundalini Yoga as taught by Yogi Bhajan®. Tantric Numerology calculates five numbers from your birth date that illuminate your relationship with self, others, and destiny. Learn more about Tantric Numerology here > Please specify your complete date of birth: IKYTA is a global association of Kundalini Yoga Teachers. Yoga Numerology is designed to elevate you beyond your personal limits so that you can have more happiness and success in your world. It is an ancient Tantric system that provides the tools for reaching your super-human potential. Yoga Numerology Based on the day a person is born, Yoga Numerology recognizes 5 significant elements and the energy body associated with these elements. The elements are: Soul, Karma, Gift, Destiny and Path. Reading your article is my first introduction to yoga numerology and doing any chanting and mantras, so please excuse my lack of knowledge. My numbers came to karma 4, soul 4, gift 11, destiny 3, path I recognize being stuck in the negative side on them at times and would appreciate some guidance in .
