I rushed a book (Rhapsody in Blue, by David Schiff) on inter-library loan in an effort to finish my paper on George Gershwin's Rhapsody in Blue, but it's not helping me very much. I'm trying to match the 5 themes, Ritornello, Train, Stride, Shuffle, and Love, with a youtube video to link together for a presentation I'm giving tomorrow. This intermediate arrangement of the lush middle section of Gershwin's Rhapsody in Blue will allow pianists to present a rich, full performance of this famous theme. This arrangement presents the melody in full quarter-note chords above sustained pedal chords with some chromatic eighth-note movement for the secondary accompaniment.
