About Shakespeare and Ecocritical Theory. Combining the latest scientific and philosophical understanding of humankind's place in the world with interpretative methods derived from other politically inflected literary criticism, ecocriticism is providing new insights into literary works both ancient and modern. With case-study analyses of the tragedies, comedies, histories and late romances, this book is a wide-ranging introduction to reading Shakespeare in the light of contemporary ecocritical theory. Preview this book. Shakespeare and Ecocritical Theory by Gabriel Egan Combining the latest scientific and philosophical understanding of humankind's place in the world with interpretative methods derived from other politically inflected literary criticism, ecocriticism is providing new insights into literary works both ancient and modern.
